**SPECIAL MANAGEMENT CASE ASSIGNMENTS
(See §1.02 (e) Management Track Definitions of the
Civil Justice Expense and Delay Reduction Plan)**

Special Management cases will usually include that class of cases commonly referred to as "complex litigation" as that term has been used in the Manuals for Complex Litigation. The first manual was prepared in 1969 and the Manual for Complex Litigation Second, MCL 2d was prepared in 1985. This term is intended to include cases that present unusual problems and require extraordinary treatment. See §0.1 of the first manual. Cases may require special or intense management by the court due to one or more of the following factors: (1) large number of parties; (2) large number of claims or defenses; (3) complex factual issues; (4) large volume of evidence; (5) problems locating or preserving evidence; (6) extensive discovery; (7) exceptionally long time needed to prepare for disposition; (8) decision needed within an exceptionally short time; and (9) need to decide preliminary issues before final disposition. It may include two or more related cases. Complex litigation typically includes such cases as antitrust cases; cases involving a large number of parties or an unincorporated association of large membership; cases involving requests for injunctive relief affecting the operation of large business entities; patent cases; copyright and trademark cases; common disaster cases such as those arising from aircraft crashes or marine disasters; actions brought by individual stockholders; stockholder's derivative and stockholder's representative actions; class actions or potential class actions; and other civil (and criminal) cases involving unusual multiplicity or complexity of factual issues. See §0.22 of the first Manual for Complex Litigation and Manual for Complex Litigation Second, Chapter 33.

Grantor additionally agrees to immediately notify Lender in writing upon the occurrence of any Event of Default, or event that with the passage of time, failure to cure, or giving of notice, may result in an Event of Default under any of Grantor's obligations that may be secured by any presently existing or future Encumbrance, or that may result in an Encumbrance affecting the Collateral, or should the Collateral be seized or attached or levied upon, or threatened by seizure or attachment or levy, by any person other than Lender

Notices of Claims and Litigation. Grantor will promptly inform Lender in writing of (1) all material adverse changes in Grantor's financial condition, (2) all existing and all threatened litigation, claims, investigations, administrative proceedings or similar actions affecting or concerning in any manner the Collateral, and (3) all existing and all threatened litigation, claims, investigations, administrative proceedings or similar actions affecting or concerning in any manner the Grantor or any Guarantor which could materially affect the financial condition of Grantor or the financial condition of any Guarantor

Inspection Grantor shall permit employees or agents of Lender at any reasonable time to inspect any and all Collateral (including the logs, books, manuals and records comprising or related to the Collateral) for the Indebtedness and to examine or audit Grantor's books, financial statements, accounts, and records and to make copies and memoranda of Grantor's books, financial statements, accounts, and records. If Grantor now or at any time hereafter maintains any records including but not limited to records related to the Collateral (including without limitation computer generated records and computer software programs for the generation of such records) in the possession of a third party, Grantor by execution of this Agreement authorizes such party to permit Lender free access (either in paper form or on-line via the internet) to such records at all reasonable times and to provide Lender with copies of any records it may request, all at Grantor's expense

Compliance Certificates Unless waived in writing by Lender, Grantor shall provide Lender within thirty (30) days after the end of the nine month period following the Funding Date (the "Compliance Due Day") and within thirty (30) days annually of the Compliance Due Day thereafter, with a certificate executed by Grantor's chief financial officer and pilot, or other officer or person acceptable to Lender, certifying that or providing (a) the representations and warranties set forth in this Agreement are true and correct as of the date of the certificate (b) as of the date of the certificate, no Event of Default exists under this Agreement, (c) the Grantor has maintained and kept the Collateral in good order and repair and in airworthy condition in accordance with the requirements of each of the manufacturers' manuals and mandatory service bulletins and each of the manufacturers' non-mandatory service bulletins which relate to airworthiness, (d) the Grantor has performed, on all parts of the Collateral, all applicable mandatory airworthiness directives, and regulation of the Federal Aviation Administration, (e) the total number of hours and landings on the Airframe, (f) the total number of hours on the Engines since their last major overhaul or core, (g) verification that the Engines are enrolled in an Engine Maintenance Program if they were enrolled in an Engine Maintenance Program at the time of loan application, (h) the Engine serial numbers, (i) contact information (name and phone number) for the maintenance facility that performed the last annual inspection or phase inspection, and (j) the insurance report identified above

Additional Assurances. Grantor will make, execute and deliver to Lender such promissory notes, mortgages, security agreements, assignments, financing statements, instruments, documents and other agreements as Lender or its attorneys may reasonably request to evidence and secure the Note and/or the Indebtedness

Continuation. The foregoing representations and warranties, and all other representations and warranties contained in the Note, the Related Documents, and this Agreement are and shall be continuing in nature and shall remain in full force and effect until such time as the Note and all other obligations of Grantor to the Lender are paid in full and until this Agreement is terminated or cancelled as provided herein

PROHIBITIONS REGARDING COLLATERAL. Grantor represents, warrants and covenants to Lender while this Agreement remains in effect as follows

Transactions Involving Collateral. Without the prior written consent by Lender, (i) Grantor shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral, and (ii) Grantor shall not lease, pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement. This includes security interests even if junior in right to the security interests granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral

(for whatever reason) shall be held in trust for Lender, and shall not be commingled with any other funds, provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantor shall immediately deliver any such proceeds to Lender.

No Commercial Use. Grantor shall use the Collateral solely for business purposes. Grantor shall not, without the prior written consent of Lender, which consent will not be unreasonably withheld, (i) use the Collateral, or permit the Collateral to be used, in Commercial Operations, or (ii) use the Collateral under a Part 135 Certificate.

Removal of the Collateral. Except for routine use, Grantor shall not change the Home Airport or remove the Collateral from the Home Airport without Lender's prior written consent. Grantor shall, whenever requested, advise Lender of the exact location of the Collateral. Grantor shall not base, or permit the Collateral to be based, outside the continental United States of America.

Travel Restrictions. Grantor shall not operate or locate the Collateral, or permit the Collateral to be operated, located, or flown (i) outside the continental United States without war risk coverage, (ii) in or over any country for which the U.S. State Department has issued travel restrictions, (iii) in or over any country or jurisdiction that does not maintain full diplomatic relations with the United States, (iv) in or over any area of hostilities, or (v) in or over any geographic area not covered by the insurance then in effect. Without limiting the foregoing, Grantor agrees that at no time during the effectiveness of this Agreement shall the Collateral be operated in, flown over, or temporarily located in any jurisdiction, unless the Geneva Convention, together with its necessary enacting rules and regulations (or some comparable treaty and regulations satisfactory to Lender) shall be in effect in such jurisdiction and any notices, financing statements, documents or instruments necessary or required, in the opinion of Lender, to be filed in such jurisdiction shall have been filed and file stamped copies thereof shall have been furnished to Lender. Notwithstanding the foregoing, at no time shall the Collateral be operated in or over any area which may expose Lender to any penalty, fine, sanction or other liability, whether civil or criminal, under any applicable law, rule, treaty or convention, nor may the Collateral be used in any manner which is or may be declared to be illegal and which may thereby render the Collateral liable to confiscation, seizure, detention or destruction.

No Removal of Parts. Except as permitted or required in the section of this Agreement titled "Maintenance, Use, Repairs, Inspections, and Licenses," Grantor shall not remove or permit the removal of any parts, engines, accessories, avionics or equipment from the Aircraft without replacing the same with comparable parts, engines, accessories, avionics and equipment acceptable to Lender and the Aircraft's manufacturer and insurer.

Modifications. Grantor shall not, without the prior written consent of Lender, modify the Aircraft in any material way, including but not limited to, the Aircraft's function or operating capability.

Future Encumbrances. Grantor shall not, without the prior written consent of Lender, grant any Encumbrance that may affect the Collateral, or any part or parts thereof, nor shall Grantor permit or consent to any Encumbrance attaching to or being filed against the Collateral, or any part or parts thereof, in favor of anyone other than Lender. Grantor shall further promptly pay when due all statements and charges of airport authorities, mechanics, laborers, materialmen, suppliers and others incurred in connection with the use, operation, storage, maintenance and repair of the Aircraft so that no Encumbrance may attach to or be filed against the Aircraft or other Collateral. Grantor shall not file or register (or consent to the filing or registration of) any International Interest, Contract of Sale, or subordination, whether prospective or otherwise (or any amendment, assignment, modification, supplement, subordination or subrogation thereof) pertaining to the Aircraft, with the FAA or the International Registry without the prior written consent of Lender, which may be withheld in its sole discretion. Grantor shall not execute or deliver an IDERA in favor of any party other than the Lender without the prior written consent of Lender, which may be withheld in its sole discretion. Grantor additionally agrees to obtain, upon request by Lender, and in form and substance as may then be satisfactory to Lender, appropriate releases, terminations, discharges, waivers and/or subordinations of any Encumbrances that may affect the Collateral at any time and, at Lender's option cause same to be filed or registered with the FAA or International Registry as applicable.

GRANTOR'S RIGHT TO POSSESSION. Until an Event of Default, Grantor shall have the possession and beneficial use of the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Related Documents.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender, on Grantor's behalf, may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, International Interests, Contracts of Sale, encumbrances and other claims (including the filing of any interest with the FAA or the registration of any interest with the International Registry), at any time levied or placed on the Collateral and paying

all costs for inspecting, repairing, operating, insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand, (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the terms of any applicable insurance policy, or (2) the remaining term of the Note, or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon an Event of Default.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Note Default. Any Event of Default under the Note or the Indebtedness.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement, the Note, the Indebtedness, or the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Defective Collateralization. This Agreement, the Note, or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected first priority security interest or lien) at any time and for any reason.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf under the Note, this Aircraft Security Agreement, or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Death or Insolvency. The dissolution or termination of Grantor's existence (regardless of whether election to continue is made), the death of Grantor (if Grantor is an individual), the death of any member Grantor or any member withdraws from Grantor (if Grantor is a Limited Liability Company), or any other termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its reasonable discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. If a Guarantor(s) exists. Any of the preceding events occurs with respect to any Guarantor, endorser, surety, or accommodation party of any of the indebtedness or any Guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under any Guaranty of the indebtedness. In the event of a death, Lender, at its option, may, but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the Guaranty in a manner satisfactory to Lender, and, in doing so, cure any Event of Default.

Change in Ownership. If the Grantor is an entity (including without limitation, a partnership, a limited partnership, a limited liability company, or a corporation), any change in ownership of twenty-five percent (25%) or more of Grantor, whether voluntary or involuntary or resulting from the death of an owner of the Grantor.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender reasonably believes the prospect of payment or performance of this Note is impaired.

Cure Provisions. If any Event of Default, other than a default in payment, is curable and if Grantor has not been given a notice of a breach of the same provision of this Agreement within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred) if Grantor, after receiving written notice from Lender demanding cure of such default (1) cures the default within fifteen (15) days, or (2) if the cure requires more than fifteen (15) days, immediately initiates steps which Lender deems in Lender's reasonable discretion to be sufficient to

cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical

RIGHTS AND REMEDIES ON DEFAULT If an Event of Default occurs under this Agreement, at any time thereafter, Lender shall have all the rights of a secured party under the Idaho Uniform Commercial Code and a creditor under the Convention, and Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise. In addition and without limitation, Lender may exercise any one or more of the following rights and remedies

Accelerate Indebtedness. Lender may declare the entire Indebtedness, including any prepayment premium which Grantor would be required to pay, immediately due and payable, without notice of any kind to Grantor

Assemble Collateral. Lender may require Grantor to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Grantor to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter upon the property of Grantor to take possession of and remove the Collateral. If the Collateral contains other goods not covered by this Agreement at the time of repossession, Grantor agrees Lender may take such other goods, provided that Lender makes reasonable efforts to return them to Grantor after repossession.

Sale of the Collateral. Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in Lender's own name or that of Grantor. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Grantor and other persons as required by law, reasonable notice of the time and place of any public sale, or the time after which any private sale or any other disposition of the Collateral is to be made. However, no notice need be provided to any person who, after Event of Default occurs, enters into and authenticates an agreement waiving that person's right to notification of sale. The requirements of reasonable notice shall be met if such notice is given at least ten (10) business days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, inspecting, repairing, operating, holding, insuring, preparing for sale and selling the Collateral, shall become a part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Collateral, with the power to protect and preserve the Collateral, to operate the Collateral preceding foreclosure or sale, and to collect the rents from the Collateral and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Collateral exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Obtain Deficiency. If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Grantor for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Agreement.

Election of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement, the Related Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

Convention Remedies. In addition to the remedies previously set forth in this Agreement, Lender has all remedies available to a creditor under the Convention (and Grantor affirmatively agrees that Lender has all the rights and remedies, and can exercise all of the rights and remedies, granted a creditor under the Convention), including but not limited to (a) if Grantor is in possession, custody or control of the Collateral, Lender may enter Grantor's or any other person's premises and take possession of such Collateral, (b) to require Grantor to assemble and make available such Collateral at a location selected by Lender, (c) to sell, lease or otherwise dispose or cause the Grantor to sell, lease or otherwise dispose of the Collateral, (d) collect or receive any income, rents or profits arising from the management or use of the Collateral, and (e) procure the deregistration of the registration of the Aircraft and export of the Aircraft to a jurisdiction of Lender's choice pursuant to the IDERA.

INDEMNIFICATION OF LENDER. Grantor agrees to indemnify, to defend and to save and hold Lender harmless from any and all claims, suits, obligations, damages, losses, costs and expenses (including, without limitation, Lender's reasonable attorneys' fees), demands, liabilities, penalties, fines and forfeitures of any nature whatsoever that may be asserted against or incurred by Lender, its officers, directors, employees, and agents arising out of, relating to, or in any manner occasioned by this Agreement and the exercise of the rights and remedies granted Lender under this Agreement. The foregoing indemnity provisions shall survive the cancellation of this Agreement as to all matters arising or accruing prior to such cancellation and the foregoing indemnity shall survive in the event that Lender elects to exercise any of the remedies as provided under this Agreement following an Event of Default hereunder.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement.

Assignment. Lender may transfer or assign all or any part of its interest in this Agreement, together with any Related Documents, and Grantor hereby consents to any and all assignments or sales of, or the granting of participations in, this Agreement and any Related Documents, by Lender and any purchaser or assignee of any interest in this Agreement and any Related Documents. Grantor shall not sell, assign, transfer, encumber or convey any of its interests in the Collateral or in this Agreement or any Related Documents, without the prior written consent of Lender, which may be withheld in its sole discretion.

Amendments. This Agreement together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law and Jurisdiction. The Note, this Aircraft Security Agreement, and the Related Documents have been delivered to Lender and accepted by Lender in the State of Idaho. The Note, this Aircraft Security Agreement, and the Related Documents will be governed by, construed and enforced in accordance with federal laws and the laws of the State of Idaho. If there is a lawsuit, Grantor consents to the jurisdiction of all state and federal courts located within Idaho and Grantor agrees upon Lender's request to submit to the jurisdiction of the courts of Ada County, State of Idaho.

Notices. Any notice required to be given under the Note, the Related Documents, or this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors.

Severability. If a court of competent jurisdiction finds any provision of the Note, the Related Documents, or this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from the Note, the Related Documents, or this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of the Note, the Related Documents, or this Agreement shall not affect the legality, validity or enforceability of any other provision of the Note, the Related Documents, or this Agreement.

Successors and Assigns. Subject to any limitations stated in the Note, the Related Documents, or this Agreement, on transfer of Grantor's interest, the Note, the Related Documents, and this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Collateral becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Agreement and the Indebtedness by way of forbearance or extension without releasing Grantor from the obligations and liabilities of the Note, the Related Documents or this Agreement.

Survival of Representations and Warranties. All representations, warranties, and agreements made by Grantor in this Agreement, the Note, and the Related Documents shall survive the execution and delivery of this Agreement, the Note, and the Related Documents, and shall be continuing in nature, and shall remain in full force and effect until such time as Grantor's Indebtedness shall be paid in full.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under the Note, the Related Documents, or this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any rights under the Note, the Related Documents, or this Agreement shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of the Note, the Related Documents, or this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of the Note, the Related Documents, or this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under the Note, the Related Documents or this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Waive Jury. All parties to this Agreement hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by any party against any other party.

Borrower: RMN Group, LLC
191 Sheree Boulevard, Suite 201
Exton, PA 19341

Lender: PNC Equipment Finance, LLC
4355 Emerald St.
Suite 100
Boise, ID 83706

Principal Amount: \$2,025,000.00

Date of Note: July 2, 2007

PROMISE TO PAY. RMN Group, LLC ("Borrower") promises to pay to PNC Equipment Finance, LLC ("Lender"), or order, in lawful money of the United States of America, the principal amount of Two Million Twenty Five Thousand & 00/100 Dollars (\$2,025,000.00), together with interest on the unpaid principal balance from the Funding Date until paid in full.

PAYMENT, AMORTIZATION, AND INTEREST. Borrower's first payment is due on the first business day of the second month following the month during which the loan is funded, and all subsequent payments are due on the first business day of each month after that. All outstanding principal and all accrued interest not yet paid shall be due on the final monthly payment. Unless otherwise agreed or required by applicable law, payments will be applied first to any unpaid collection costs and any late charges, then to any unpaid interest, and any remaining amount to principal. Borrower will pay Lender at such place as Lender may designate in writing.

Repayment. Borrower's monthly payment will be calculated by amortizing the principal amount of the Note over 180 months (the "Amortization Period") at the Variable Interest Rate. Borrower's payment may be increased or decreased to amortize the loan over the Amortization Period based upon any applicable changes to the interest rate. All payment calculations will be determined by Lender in its sole discretion.

Interest Rate. The interest rate on this Note will be at a rate of 1.70% over the Index (the "Variable Interest Rate"). The rate will be reset on the first calendar day of each month based on changes in an independent index which is the rate of interest published on the first calendar day of each month in The Wall Street Journal "Money Rates" listing under the caption "London Interbank Offered Rates" for a one month period (or, if no such rate is published therein for any reason, then such rate published therein on the most recent business day prior to the first day of such month) (the "Index"). The Index will be adjusted, if necessary, for any eurodollar reserve requirements as prescribed by the Board of Governors of the Federal Reserve System (or any successor) and determined by Lender to be applicable. If the Index becomes unavailable during the term of this loan, Lender may designate a substitute index after notice to Borrower. Lender will tell Borrower the current Index rate upon Borrower's request. Interest on this Note is computed on an actual/360 simple interest basis; that is, with the exception of odd days in the first payment period, monthly interest is calculated by applying the ratio of the annual interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days between the day of the last payment and the day prior to the current payment. Borrower understands that Lender may make loans based on other rates as well. The interest rate will not exceed the maximum rate permitted by applicable law.

Interest After Default. Upon an Event of Default, including failure to pay upon final maturity, Lender, at its option, may, if permitted under applicable law, increase the Variable Interest Rate by an additional 4.00%. The interest rate will not exceed the maximum rate permitted by applicable law.

TERM. The term of this loan is 180 months. At the end of the Term, all amounts owing under the Note and Related Documents will be due and payable.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note, the Aircraft Security Agreement of even date herewith between Borrower and Lender (the "Aircraft Security Agreement"), or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Cure Provisions. If any Event of Default, other than a default in payment, is curable and if Borrower has not been given a notice of a breach of the same provision of this Note within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred) if Borrower, after receiving written notice from Lender demanding cure of such default: (1) cures the default within fifteen (15) days; or (2) if the cure requires more than fifteen (15) days, immediately initiates steps

which Lender deems in Lender's reasonable discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

LENDER'S RIGHTS. Upon an Event of Default, Lender may (1) declare the entire unpaid principal balance on this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount, and/or (2) exercise any rights and remedies set forth in the Aircraft Security Agreement and the Related Documents.

ATTORNEYS' FEES; EXPENSES. Borrower agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and legal expenses, incurred in connection with the enforcement of this Note, the Aircraft Security Agreement, or the Related Documents. Lender may hire or pay someone else to help enforce this Note, and Borrower shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Borrower also shall pay all court costs and such additional fees as may be directed by the court.

LOAN ASSUMPTION. This Note and Related Documents are fully assumable by a qualified buyer provided that the buyer is approved by Lender in its sole discretion. The Borrower or the buyer assuming this loan must pay an assumption fee equal to 0.75% of the unpaid principal balance plus any and all third-party expenses incurred in connection with the assumption.

JURY WAIVER. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other.

GENERAL PROVISIONS. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may, in its sole discretion, renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Lender's security interest in the collateral; and take any other action deemed necessary by Lender without the consent of or notice to anyone. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Note are joint and several. Capitalized terms not defined in this Note shall have the same definition given such terms in the Aircraft Security Agreement, the Related Documents, or other loan documents executed by Borrower.

PREPAYMENT. The Borrower must give written notice at least forty-five (45) days prior to the day the loan is prepaid. Upon prepayment of this Note, Lender is entitled to interest on the outstanding loan balance through the date of early payment. Borrower may pay all but not less than all of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: PNC Equipment Finance, LLC; 4355 Emerald St.; Suite 100; Boise, ID 83706. Lender is entitled to the following refundable premium payable at the time of prepayment, which may be refunded as set forth below (the "Refundable Premium"): (a) if such early payment occurs during the first loan year, one percent of the unpaid principal balance. Lender will refund the Refundable Premium if Lender makes a new loan against Borrower's replacement aircraft within six months of the early payment date provided that the amount of the new loan is equal to or greater than the outstanding balance of the Note. Except as provided in the previous sentence, Lender shall be entitled to retain the Refundable Premium. Notwithstanding anything to the contrary above, Lender will have no obligation to enter into a new loan or refund the Refundable Premium if the new loan is not approved by Lender in its sole discretion.

LOAN PARTICIPATION. Borrower agrees and consents to Lender's sale or transfer, whether now or later, of the Note and Related Documents or of one or more participation interests in the Note and Related Documents to one or more purchasers, whether related or unrelated to Lender. Lender may provide, without any limitation whatsoever, to any one or more purchasers, or potential purchasers, any information or knowledge Lender may have about Borrower or about any other matter relating to the Note and Related Documents, and Borrower hereby waives any rights to privacy that Borrower may have with respect to such matters.

LATE CHARGE. If a payment is one (1) day or more late, Borrower will be charged \$750. Provided, however, Borrower will not be charged a late fee if the payment is late due to an error on the part of Lender's or Borrower's financial institution. Borrower agrees that the amount of such late charge represents a reasonable estimate of the cost to Lender of processing a delinquent payment and that the acceptance of any late charge shall not constitute a waiver of default with respect to the overdue amount or prevent Lender from exercising any other available rights and remedies.

GOVERNING LAW AND JURISDICTION. This Note, the Aircraft Security Agreement, and the Related Documents have been delivered to Lender and accepted by Lender in the State of Idaho. This Note, the Aircraft Security Agreement, and the Related Documents will be governed by, construed and enforced in accordance with federal laws and the laws of the State of Idaho. If there is a lawsuit, Borrower consents to the jurisdiction of all state and federal courts located within Idaho, and Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of Ada County, State of Idaho.

SUCCESSOR INTERESTS. The terms of this Note, the Aircraft Security Agreement, and the Related Documents shall be binding upon Borrower, and upon Borrower's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and Lender's successors and assigns.

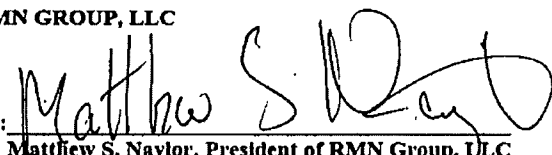

PRIOR TO SIGNING THIS NOTE, BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE, INCLUDING THE PAYMENT, AMORTIZATION, AND INTEREST PROVISIONS. BORROWER AGREES TO THE TERMS OF THE NOTE.

BORROWER ACKNOWLEDGES RECEIPT OF A COMPLETED COPY OF THIS PROMISSORY NOTE.
